

# The Greater Copenhagen Traffic Charter

/ Jarl Zinn

Senior Advisor, Centre for Urban Development, the City of Copenhagen  
March 23, 2017

# The Greater Copenhagen & Skåne Committee

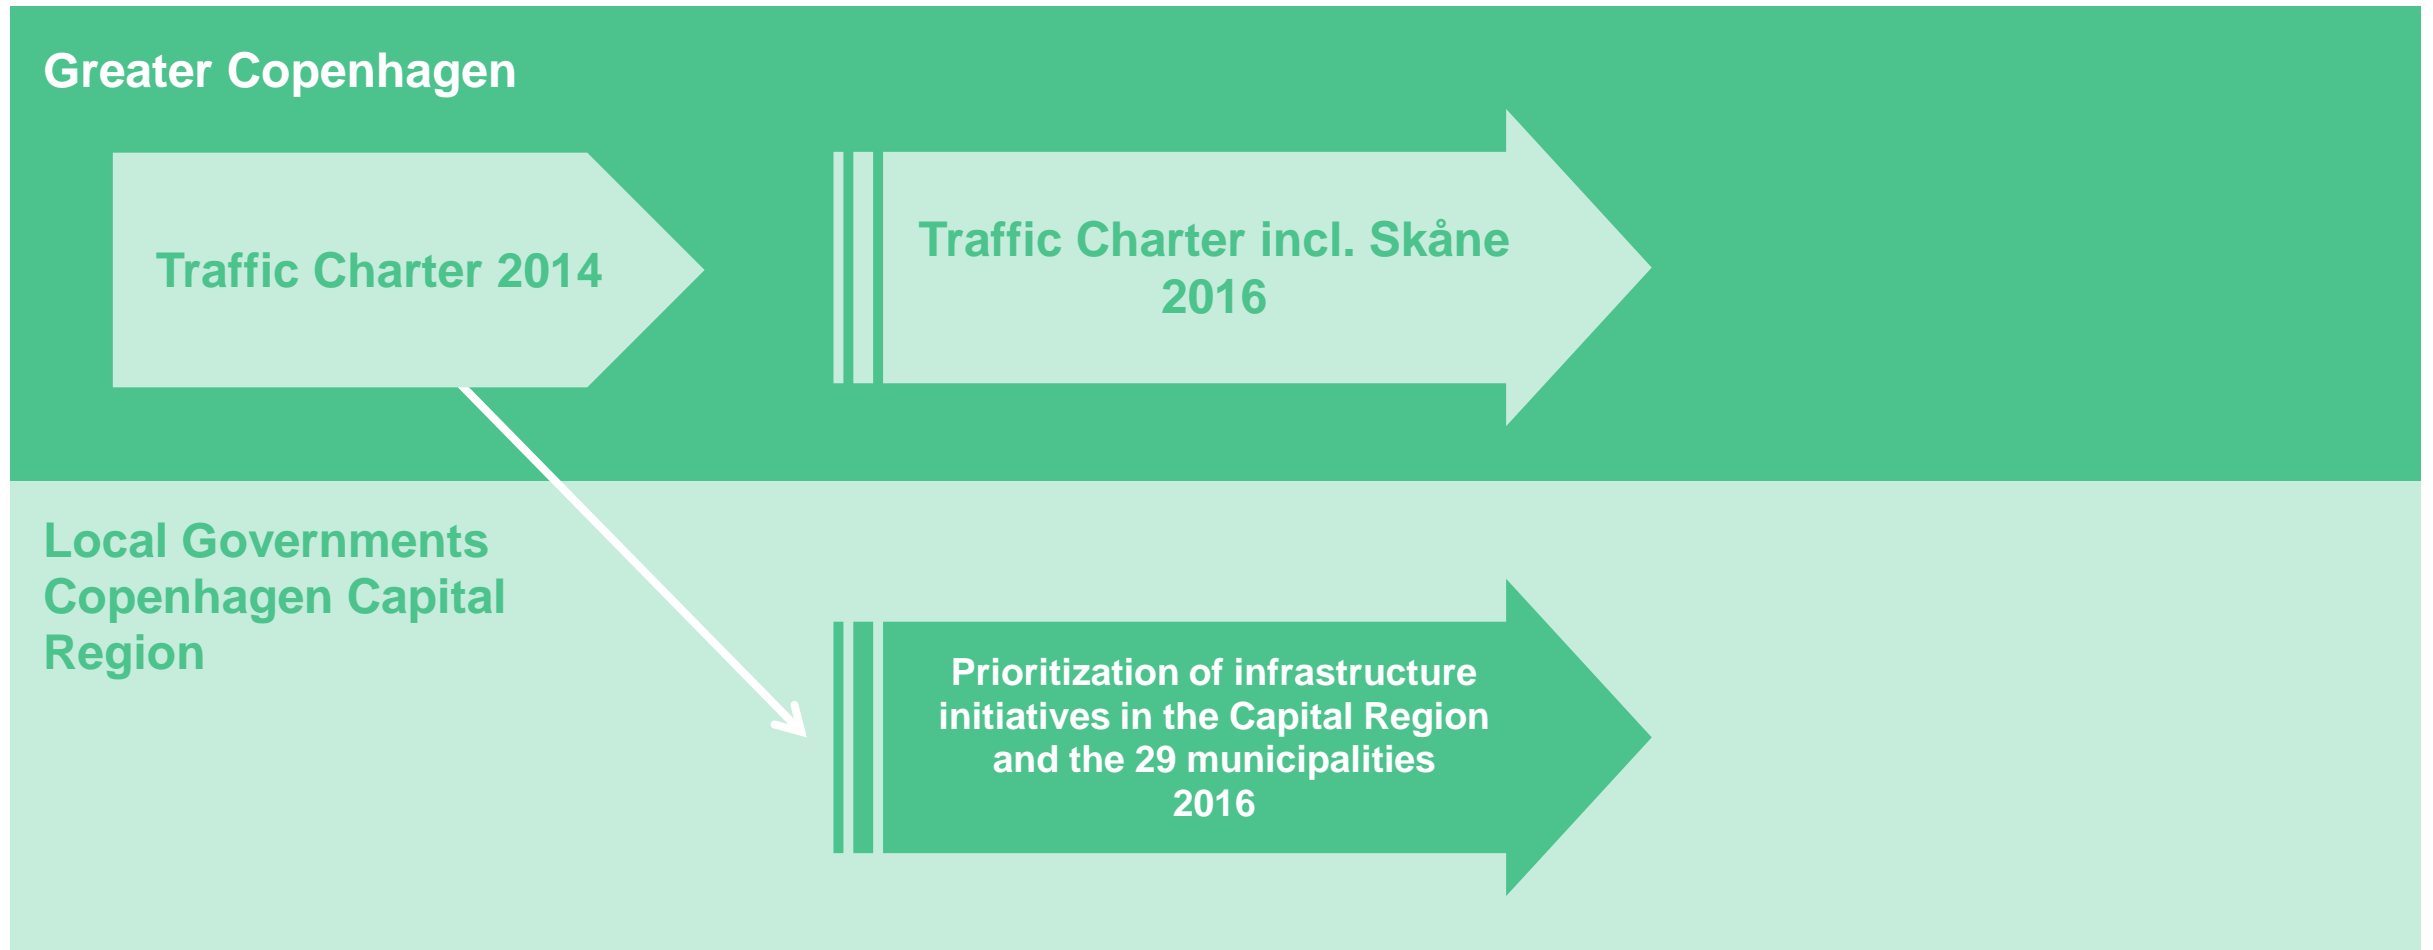

- 79 municipalities (46 DK/33 SE)
- 3 regions (2 DK/1 SE)
- 4 million inhabitants

A political collaboration connecting Southern Sweden and Eastern Denmark.

**Aim: to eliminate the cross-border barriers that prevent economic growth and business development in the region – connecting people across countries and cultures.**

# The proces for a joint cross-border Traffic Charter

# Greater Copenhagen Traffic Charter

## Prioritizing of:

- Copenhagen Airport
- Fehmarn Belt link
- More cross-border connections (HH-tunnel and Öresund Metro between Copenhagen-Malmö)
- High speed rail (from Stockholm via Malmö/Copenhagen to Hamburg)
- A coherent public transport system
- Green mobility and fossil-fuel transport

# Implementing the Traffic Charter

## Greater Copenhagen & Skåne Committee meeting March 22, 2017

### Discussion of:

- implementing the Traffic Charter (meetings with the government, participation at the Folkemøde etc.)
- the need to handle cross-border ID-control.
