

The Infrastructure bill for 2022-2033

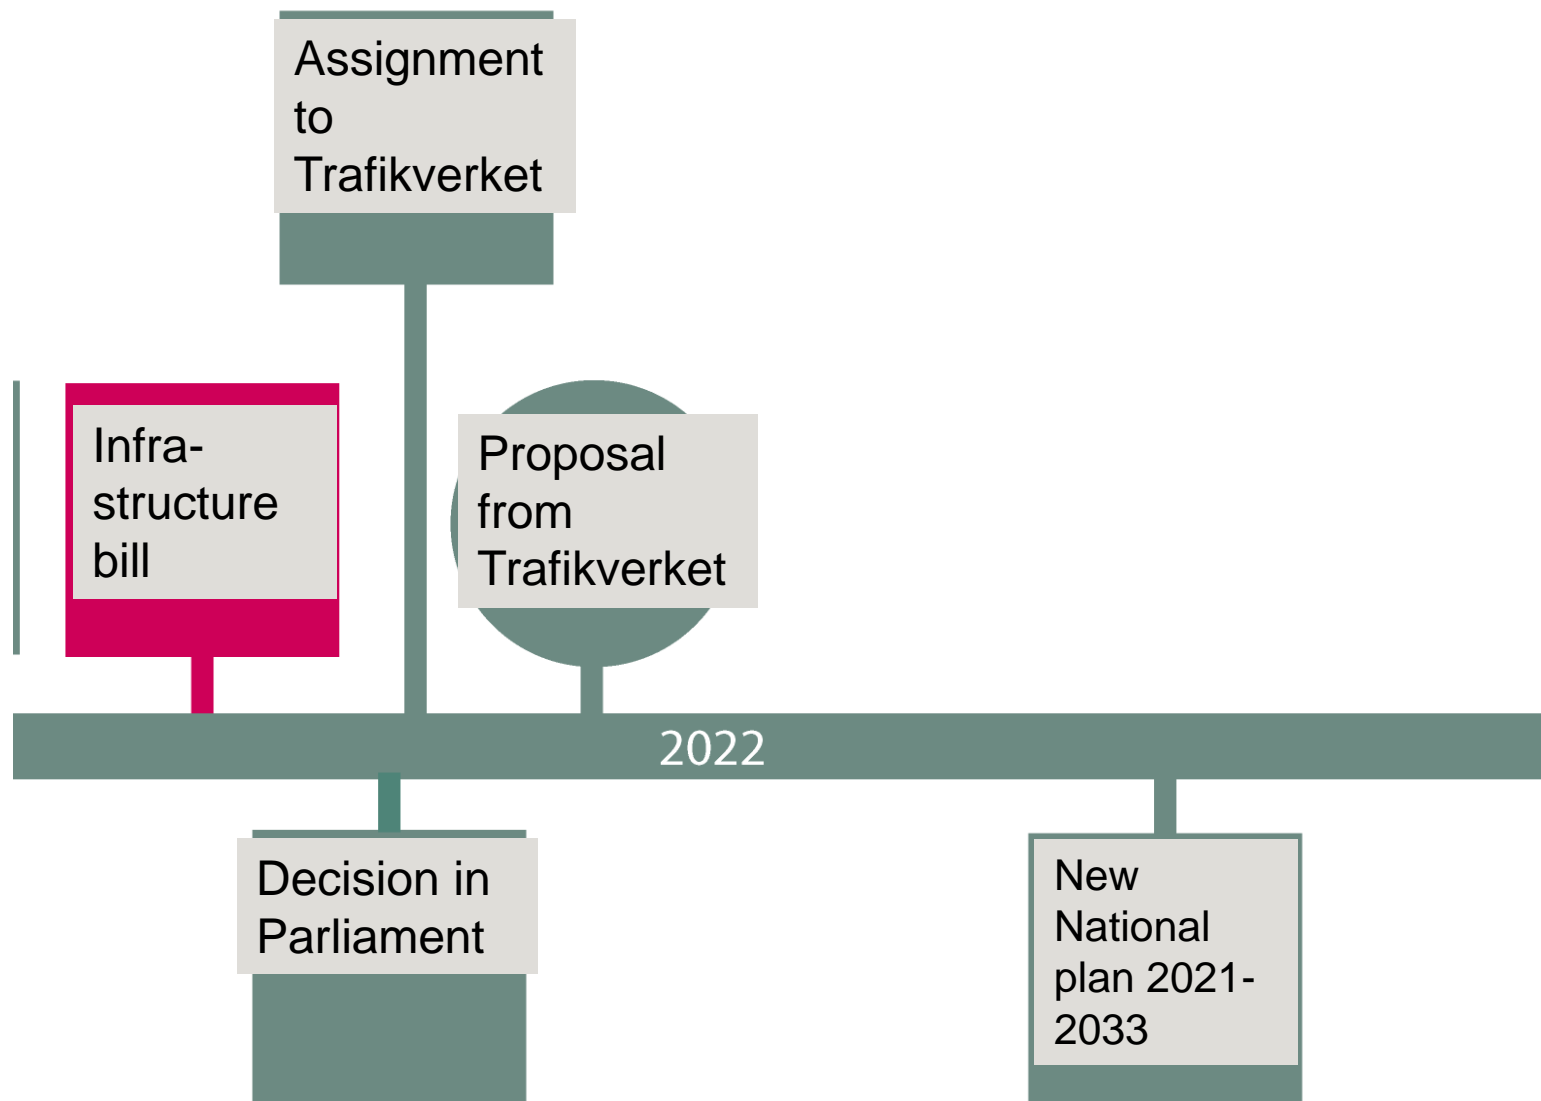

- Decided by the Government 16 april
- Total financial frame: 876 billion SEK.
- Does not include individual investment projects – those comes in the next phase

The Norrbotnia link in the Infrastructure bill

- The on-going construction of railway links in Northern Sweden shall continue and the planning to build the Norrbotnia link in its entirety will be intensified.

Process

Thank you!

Niklas Lundin
Ministry of Infrastructure
